

LEIFHEIT

Always a better idea

Leifheit kitchen scales

For even faster turnover on your kitchen shelves

The image is a promotional collage for Leifheit kitchen products. At the top left, a banner reads "LEIFHEIT helpers" with a bowl of vegetables. To its right, another banner says "LEIFHEIT Clever kitchen helpers". A prominent red badge on the right side of the collage states "NEW! from June 2013". The central focus is on kitchen scales: a large white digital scale with a glass top, a smaller white digital scale, and a white kitchen scale with a large white bowl. Below these, a large flat digital scale is shown. The background is a collage of various Leifheit products, including pizza makers (labeled "Clever pizza baking") and salad spinners (labeled "Picanto"). The bottom of the collage features more product boxes and a row of metal mesh baskets.
