Couponing Feb. – May 2013

Outdoor drying is the trend in 2013!

Laundry dried outdoors simply smells fresher!

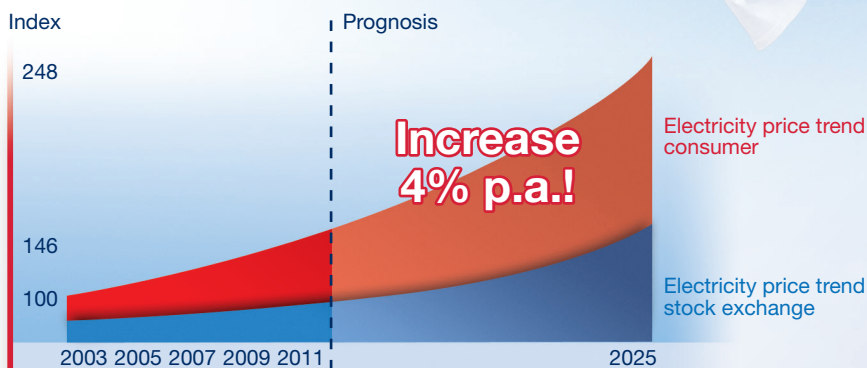

Direct customer statements from market research:

- ✓ "It simply smells better. That fresh scent only comes from outdoors."
- ✓ "The laundry blows in the wind and need less ironing."

Source: Monheimer Institute, Qualitative Concept Analysis, April 2012

Rising energy costs increase demand for rotary dryers.

Electricity price trend
